For the Bride's Trousseau

THE colored lingerie dress will be exceedingly popular this summer, and the wise bride will include one in her trousseau. All shades of yellow from the palest to the tawny shades are the rage.

On the left is a very simply made gown trimmed with bands and ruffles of the material. Black satin forms the girdle of this charming little dress. The hat of green milan straw is also trimmed with a black satin bow filling the bandeau at the smartly turned up brim. A yellow rose at the side gives the needed touch of color.

The gown in the centre is made of both plain and embroidered crepe. The embroidered crepe forms the waist and the puffed tunic, under which are two rather full shadow lace ruffles. The distinctive note in this gown is the arrangement of the girdle of cherry colored ribbon, which is draped from under the tunic. The parasol is of black and white striped taffeta, lined with cherry red chiffon. The black chapeau is a charming selection.

The suit shown at the right, of moire taffeta, is simplicity itself. The old gold vest of the bolero jacket ending in two tassels of gold is fastened with a silk ornament of the moire. Organdy collar and cuffs add a distinctly dainty touch. The smart hat very well carries out the color scheme of the costume.

In the Social Whirl

By Isma Dooly

ALL it is the "psychology of the crowd," the "spirit of democracy," or "naturally temperamental expression." Atlanta has proven in the last few weeks that she needs a more established system of public recreation.

There was public demonstration of this during the last few weeks. Recalling the week of opera, there were almost as many people who went to the direction of the Auditorium to see the people who were going to opera as there were people actually attending the opera.

Many stood on the outside by the hour to catch what they could of the glorious music within, all too dear to be bought by them.

They waited, many of them, until the opera was over and they watched the gay crowd awaiting their machines to be whisked off for more pleasure, and then they went home humming what they roared of the music they did hear.

They talked of the prospects of opera for next year, and were that much a part of it.

Then came the Saturday convention, and these same people, with many more, came to town and made the crowd.

The splendor of the making rescued them in their far-off little homes and bungalows in the outskirts and whole families came into the center of town, beginning last Sunday night, to see the illuminations and just to "be of the crowd."

Whole families came, the mother, the father, "Bud," the oldest son, and "Rita," little Rita, the delicate sister, was held by the hand of the mother, while the other hand clasped the baby, and the smallest brother carried the yellow dog, which could not have been left at home to be run over by the automobiles passing. "Grandma" was out too, scarcely able to stand up under the pushing, surging crowd, but grandma wanted to see the crowd. They all grew tired, and would have given any near beer splendor they could have had to see the crowd.

They all grew tired, and would have given any near beer splendor they could have had to see the crowd.

Piedmont Driving Club Holds Annual Meeting and Reception

The annual meeting and reception of the Piedmont Driving club will take place Sunday afternoon and will be a very interesting and brilliant social occasion. As is the custom, there will be the annual election and reports of officers of the club at a meeting called at some time during the afternoon. There will be an orchestra of music and after the meeting supper will be served. A dance will follow. It is anticipated that 500 guests will be in attendance.

The annual meeting will not consume much time, as it is a foregone conclusion that the present board of officers will be unanimously re-elected, with few changes in the governing board. If the weather permits, the guests will be entertained on the terrace Tuesday afternoon and evening, this affording opportunity for dancing inside during the entire afternoon.

Dinner-Dance Last Night.

The dinner-dance last night assembled 115 guests at the Piedmont Driving club with a number of visiting guests to add to the brilliancy of the occasion. Of the parties, an interesting group was that entertained by Colonel John T. Gray, and Mrs. W. R. Hearst, their guests Judge and Mrs. Gary of New York, Miss Sims and Miss Goodrich, and the group started well.

Mr. and Mrs. Edward Peters entertained a group of guests at the home of Mrs. Peters, who has been the hostess of the party of the afternoon.

Other entertaining were: Mr. and Mrs. Philip McDuffie, Mr. and Mrs. W. A. Spear, Mr. and Mrs. R. H. Rockwell, Mr. and Mrs. W. H. Mink, Mr. and Mrs. J. H. Johnson, Dr. and Mrs. E. Bates Black, Colonel and Mrs. Paul, Mr. and Mrs. John Kiser, Dr. and Mrs. Willie Westmoreland.

The tables in the main dining room, where dinner was served, were beautifully decorated in rose-colored poeins and ferns, and the candidities had their shades of rose color.

Helen Plane Scholarship Fund Established by the U. D. C.

The Georgia division of the United Daughters of the Confederacy have added another feature to their practical work making for the education of the descendants of Confederate veterans in the establishment of the Helen Plane scholarship fund, through which two Georgia girls will be the annual beneficiaries in scholarships at the State Normal school Athens and the Normal and Industrial school at Milledgeville.

While the purpose of the organization is to perpetuate the history of the confederacy and to memorialize the heroes thereof, the Daughters of the Confederacy build their monuments in a way to benefit the living as well as memorialize the dead. They have placed an endowment fund at the Rabun Gap Industrial school for Mountain Boys and

girls, this known as the Francis Barrow memorial.

The second fund is called the Helen Plane scholarship fund, in compliment to Mrs. C. Helen Plane, who is known as the "mother" of the Georgia division of the United Daughters of the Confederacy, and is honorary president of the general order of the United Daughters of the Confederacy.

Mrs. Plane has habitually favored the principle of devoting the memorial funds to the education of the Georgia girls. In view of the number of the children of the confederates, and the inability of many boys and girls to obtain an education, she decided that there could be no more establishment of scholarship funds. Not only is the money given them opportunity to obtain the educational opportunity, but they are helped in the maintenance of worthy institutions.

Embroidery Club.

The Inman Park Embroidery club will be entertained by Mrs. R. E. May at her residence, 17 N. Moreland avenue, on Wednesday afternoon, May 20, at 5:30 o'clock.

Senior Class Exercises.

The seniors of the Washington Seminary will hold their class exercises in the auditorium of the seminary on Monday evening at 8:15 o'clock.

The program will consist of choruses by the class, piano numbers by Misses Lillian Lewis and Miss Martha W. Hill, address by the president, Miss Miss Holland Roberts, prayer by Miss Dorothy Wilhelm, prophecy by Margaret Frazer, and song by Miss Maurine McPherson.

Benefit Commencement.

Invitations have been issued, and tickets are on sale for the benefit of the children of the Confederacy, to be given by Miss Hanna's school at the Atlanta theater May 27. A beautiful

THE SPIRIT OF MARY ANTIN

Under the auspices of the Council of Jewish Women there will be held a social celebration at the Jewish Educational Alliance on Sunday evening, May 17, at 8 o'clock.

The publication of Mary Antin's "Promised Land" and her other writings and addresses so constantly before the public as the great ideal of patriotism today, a special interest is in evidence in the people from among whom the spirit, whose inheritance, traditions, persecutions and poverty have made eager to accept the standards of

the United States and then to contribute and idealize those tributes of loyalty and honor.

It is with these people, then, that the council celebrates and begs that interested friends contribute to the gathering and spirit of the place day.

Dr. Marx, Mr. Oberdorfer, Mr. Boorstein and Mr. Leo Grossman will make appropriate addresses, and Mr. Lichstein and Mr. Doran will talk in English. — will be furnished by the Alliance band led by Miss Sophy Spitz and Miss Spitz and Mr. Gershom will sing.

Atlanta Chapter, D. A. R.

A delightful event of Friday afternoon was the tea given by the Atlanta Chapter, D. A. R., to the visiting Shriners.

The regular business meeting was followed by two piano selections, given by Miss Mildred Harrison, and Miss McDonald, after which delightful refreshments were served.

The chapter house was beautifully decorated with palms and quantities of American Beauty roses.

The table from which punch was

served was radiant with tall vases of roses and sweet peas.

Mrs. J. O. Wynn, chapter regent, was assisted in receiving by the visiting Shriners.

An interesting feature of the afternoon was the presentation to the chapter by Mr. Marcus Benjamin, of the Smithsonian Institution, through Mrs. Joseph H. Morgan, and Mr. Sheppard Foster, of two pictures, both historical subjects, for the chapter house.

TRAVERS AND QUIMET LOSE FOURSMATCH

Sandwich, England, May 16.—Jerome Travers, of Montclair, N. J., amateur champion of the United States, and Francis Quimet, the open golf champion of the United States, today lost to Harold H. Hilton and Michael Scott by three holes up and two to play, in a foursome over the Sandwich course. Their defeat was due to Quimet, who apparently is getting stale. He was weak throughout. Travers never made a mistake. The match was followed by a great gallery.

University eight in the junior collegiate race, and another victory by the same crew in the first eight-oared shell event, featured the twenty annual regatta of the American Rowing association. In the first race Harvard crossed the line half a length ahead of Yale. The race was a battle between Yale and after the Blue gained the position. An hour and forty minutes later the same Harvard eight beat out the Union Boat club of Boston, by about four feet. Amherst's victory was third and Yale for fourth position. Ex-Captain John B. Kelley, of the Vesper Boat club this city, won easily from Paul Willington, of the Union Boat club, in the single scull. Kelley made a record of 8:05.

TRAVERS IS PICKED AS AMERICAN HOPE

Sandwich, England, May 16.—Jerome D. Travers, amateur champion of the United States, stands an excellent chance of repeating the feat of Walter J. Travis ten years ago in carrying off the British amateur championship if he is able to do so well next week as he did today in a foursome over the Sandwich course. Although Travers and Francis Quimet, the open golf champion of the United States, lost to Harold H. Hilton and Michael Scott by three holes up and two to play, their defeat was due to the extremely poor showing of Quimet, who apparently is getting stale. He was weak throughout, getting no distance from the tee and finding a number of bunkers, while his putting was feeble. Travers never made a mistake.

WEDNESDAY WEEK IS AD MEN'S DAY AT PONCE DE LEON

Wednesday, May 27, is Ad Men's day at Ponce de Leon park, and when the same begins last day between Mobile and Atlanta, there will be some tall and unusual rooting by the great crowd of advertising men and their friends who will be on hand. The directors of the baseball association have agreed to give the Ad Men a big part of the proceeds of the day to use in boosting stunts for Atlanta when the delegates from the organization go to the national advertising convention to be held at Toronto, Canada, the middle of June. The Ad Men's committee, under the direction of Julian Boehm, will actively go to work to sell tickets for the game and bring out a record mid-week crowd.

The Name Significant--

Overland

100,000 Overlands are now
doing duty all over the land
50,000 will be added in 1914

Think of the Significance of Overland Success

Low price alone could never have made Overland success. There is something else—an intangible spirit that finds concrete expression in the wonderful car which would be worth while at twice the price. It is the spirit that animates and pervades the entire Willys-Overland organization—"nothing but the highest quality, and the production of that quality on such a mammoth scale that it can profitably be sold at a low price."

This is the basis on which the Overland car has kept pace and often led the whole automobile industry, matching improvement with improvement, and all with a narrow margin of profit. This is the reason you can get this roomy, electrically lighted five-passenger automobile for \$950.

Visitors to the Willys-Overland plant no longer wonder at the car. They find ample explanation in the 96 acres of mammoth buildings—the 4,000,000 feet of floor space—the wonderful automatic machinery that only stupendous pro-

duction could justify—and the climax is reached when at noon they witness 10,000 enthusiastic, skilled, specialized workers depart for lunch. Actuating all this is a corps of clear-eyed, far-seeing executives all inspired by the spirit of the Overland organization.

What Does This Mean to You?

Just the car we have been describing here. This handsome, large, easy-riding, economical touring car—this Overland—\$950. Does it merit investigation before you buy? We will leave that to you.

Mitchell Little Six Fully Equipped \$1,895

The Mitchell Little Six at \$1,895, is definite confirmation of the fact that high-priced cars are too high-priced.

There is nothing you can ask in any car—no matter how high the price—that is not embodied in the Little Six. There is no other car now before the public that offers so much car—so much quality—so much comfort and satisfaction for so little money.

No sane business man who is familiar with the inflexible rule of value, can overlook this Little Six or fail to be impressed by its sterling character. Your chance to buy for \$1,895, a high-class six-cylinder car fully equipped with conveniences that likewise bear the hall-mark of class, from a concern that has behind it the proud record of eighty years of faithful service to the American public, is decidedly unusual and we feel that you will think it over seriously when this announcement strikes your eye.

This is not the era of high-priced cars. True, they will always have a following among those persons to whom money means nothing, but the bulk of the people ask for a high-class, low-cost car that will preserve their pride and fill their practical want. This is the Mitchell Little Six. Observe the equipment which is included in the price of \$1,175.

TRANSCONTINENTAL RECORD IS SMASHED

Covering 418 miles during his final day's ride, Edwin G. Baker, of Indianapolis, "old warhorse" of racing fame, reached New York city hall at midnight Thursday night, exactly eleven days, eleven hours and sixteen minutes after leaving the city hall, San Diego, Cal. Baker was started on a 1911 stock two-speed Indian motorcycle, and his record not only shattered the former coast-to-coast motorcycle record, held by Volney Davis, also on an Indian, by eight days, twenty-one hours and forty-three minutes, but it also eclipses the fastest automobile record of fifteen and a half days, although the auto record was made by a 48-horsepower car driven by pilot drivers.

Baker's performance is the most remarkable feat that has yet been accomplished by the driver of a gas-propelled vehicle. It is almost beyond belief that human endurance could withstand the tremendous strain imposed on eleven and a half days of fast riding over all conditions of road. His

total mileage approximates 2,500 miles, or a daily average of over 300 miles, in spite of the fact that he encountered rain and snow in the Sierras and had to cross five hundred miles of continuous mud in the deserts of Arizona. On his second day out, he lost four hours by running out of gas in the midst of the desert, causing him to walk into the nearest town and carry fuel back to his machine. There is little possibility of this record being reduced for a number of years.

Baker is well remembered in Atlanta by those who saw him start on his tour across Cuba and Panama in the spring of 1913. Standing six feet five in height and weighing over two hun-

dred pounds, he looks more like a football player than a motorcycle racer. He is one of the foremost racers in the motorcycle game today, holding track records in every season of the country. He has been especially successful in long-distance events.

SOCIAL LIFE IN MACON

Macon, Ga., May 16.—(Special Correspondence).—Miss Jennie E. Cochran and Mr. Frank Rogers were married Tuesday afternoon at the home of the bride's parents, Mr. and Mrs. Frank Rogers, in the city of Macon. The ceremony was performed by Rev. J. B. Brown, pastor of the First Baptist church. The bride was given away by her father, Mr. Frank Rogers. The wedding party consisted of the bride, groom, bridesmaids, best man, and officiating minister. The reception was held at the home of the bride's parents. The wedding was a very quiet and intimate affair.

Trimmed with pink roses and ribbon, her flowers were a beautiful pink. The bride wore a white gown with a high collar and long sleeves. The groom wore a dark suit. The ceremony was held in the parlor of the bride's home. The reception was held in the dining room. The wedding was a very quiet and intimate affair.

Will Make Their Debut in Fall

Misses Mary and Susie Roughton, two of Macon's most popular and attractive young ladies, who are attending Hood College, Frederick, Md., will spend six months abroad. Returning home, the Misses Roughton will make their formal bow to society late in the fall.

GRiffin, Ga. A large and beautiful event of Thursday was the afternoon party at the home of Mrs. William A. Murray. The party was given in honor of the bride, Miss Mary A. Murray, who was married to Mr. William A. Murray on Tuesday afternoon. The party was a very successful one and was attended by a large number of guests.

Easy-Front
\$5 Value at \$3

WHEN more women learn of the wonder of style and comfort of the new Nemo "Easy-Front" Corsets, you'll never hear a saleswoman say: "Why, the Nemo is only for fat women!" "Easy-Front" gives the slender woman everything in the wants in a corset—light weight, strength, flexibility and up-to-the-minute style.

In material, making and finish, it's a big \$5.00 value; but you can't duplicate its splendid service at any price or in any other make.

No. 304
EASY-FRONT

No. 304 has a low cut, but high enough to get the Nemo "bridge" effect, which prevents all pressure and "digging in."

The wide girth of this but strong Laskopis Cloth (elastic) cover girth and abdominal regions, giving the ideal "nature figure" and full, free breathing.

The skirt is long and flexible—modish in the latest degree. For slender to medium figures. Fine Steeltex batiste, light \$3.00; lined, \$3.50 to \$5.00.

No. 302 is the same, but nearly "topless"—\$3.00.

Imitations, made with the same old heavy, stiff, rough-out-quickly material, are practically worthless.

BE SURE IT'S AN "EASY-FRONT"

Other splendid models for slender and medium figures include the new **KOPSERVICE**

—No. 361 and 662, which in two months have reached a sale of hundreds of dozens daily—\$5.00.

SELF-REDUCING—are the world's standard for full figures; well-known and popular; a host of women don't know that Nemo Corsets for slender figures are just as superior.

Oily skin and shiny nose

How to correct them

This bug-bear of so many women—an oily skin and shiny nose—has various contributory causes.

Whatever the cause in your case, proper external treatment will relieve your skin of this embarrassing condition.

Begin this treatment tonight

With warm water work up a heavy lather of Woodbury's Facial Soap in your hands. Apply it to your face and rub into the pores thoroughly—always using an upward and outward motion. Rinse with warm water, then with cold—the colder the better. If possible, rub your face for a few minutes with a piece of ice.

This treatment with Woodbury's will make your skin smoother and clearer the first time you use it. Make it a nightly habit and before long you will see a decided improvement—a promise of that lovelier complexion which the steady use of Woodbury's always brings.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

Do this tonight—Now! Tear out the illustration of the cake below and put it in your purse as a reminder to get Woodbury's. Tear out the cake seal. Take it to your druggist or retail counter today. Begin tonight to get the benefit of this facial soap. For sale by dealers everywhere.

THE BRIDE

TODAY'S sketch illustrates some novel and attractive ideas for the bride and her attendants. The bridal gown is simple in design, as it should be, of soft ivory white satin. The skirt draped in the new Greek fashion. A tiny jacket of the satin, finished with a folded bertha of duchess lace, worn over a tulle underblouse. The bouquet of white dove orchids has a shower of narrow satin ribbons knotted here and there with orange blossoms.

The little Watteau shepherdess bridesmaids, while they are extremely picturesque, are also in the height of fashion, with their pointed bodices and bouffant panniers of black and white striped satin. And the short skirts of yellow taffetas, rather full around the bottom, slightly tucked up in front. Gathered net fichus, fastened with bunches of yellow daisies. Little tip-tilted hats, circled with the daisies and black crooks topped with great bunches of them.

The mother's gown is of gray taffeta, with a bustle drape, edged with knife-pleating. The high-flaring collar of taffeta is dignified and becoming. The gumpie is of plaited white chiffon, and the girde vest of tango yellow duvetyn.

Still Another Shipment of Bon Ton Corsets!

Atlanta breaks another record—this time in sales of Bon Ton Corsets.

Many Atlanta women know the Bon Ton—have known it for years. But since the Bon Ton Corsets were shown on living models, more women learned the grace and comfort-giving qualities of the Bon Ton.

They saw by actual demonstration how the Bon Ton makes for the lithe, sinuous contour, the normal waist and the straight hips—those ideal figure qualities always associated with the classic Venus de Milo.

So we have sold Bon Ton Corsets freely, and here is another big shipment to fill in the ranks. All styles and sizes now—the right corset for every figure.

Bon Ton Corsets, \$3 to \$25.

Postscript—We clean, alter and repair corsets. The work is warranted; the charges nominal. The service is open to the public. Women wearing uncomfortable corsets can have them altered here to fit.
